Rose Robot liked to find old things.
Her little brother Rob liked to help.
"Rose, what will we do with this old junk?" asked Rob.
"We will use it," said Rose.
They passed Luke and his dad.
"This stuff broke," said Luke.
"We are bringing it to the dump."
"But it is such good stuff!" said Rose. "I can use it."
Luke gave his old stuff to Rose.
Rose and Rob went home.
"Rose is that more old stuff?" asked her mom.
"What will you do with that junk?" asked her dad.
"I am going to use it," said Rose.
Rose went to her room.
"Come and help me, Rob," she said.
"I will make a new toy for you to jump in."
Soon Rose was done.
"Get in, Rob," she said.
"Rose! Look at me jump!" said Rob.
"You make the best things."
"What is that thumping?" asked Mom.
"What is going on up there?" asked Dad.
"Let's go find out," they said.
"Rob! Stop that jumping!" said Mom.
"Rose! Looks at this mess," said Dad.
Then Mom and Dad spoke together.
"We must get rid of all this junk," they said.
"But this is such good stuff!" said Rose.
"Look! I made this for reading in bed."
"And she made this for me to play a tune on!" said Rob. 222
"Very cute," said Mom. "But this mess has to go!"
"Tomorrow we will bring the things you can't use to the dump," said Dad.

After Mom and Dad left, Rose looked at her stuff.

"Rob, I have a plan," said Rose. 263
"I can have a clean room and still keep my stuff." 274
"Can I help?" asked Rob.

Rose and Rob went to work. 285

"We can use so much of this stuff," said Rose. 295
"I hope Mom and Dad like this!" said Rob. 304

Rose and Rob worked and worked. 310

At last, they were done. Rose smiled.

"This is my best thing yet," she said. 325
"I'll get Mom and Dad," said Rob. 332
"Mom and Dad!" said Rob. "Look at what we made." 342
"What is it?" they asked.

"You'll see," said Rose, "I just have to pull this switch." 358
"Your room is so clean!" said Mom. 365
"And you used so much old stuff," said Dad. 374
"Look!" said Rob. "This is the stuff we didn't use. You can bring it to the dump." 391

"But Rose can make something new with it," said Mom and Dad. 403
"I can!" said Rose. 407
